

## Characteristics and dimensions of terminals

|                                 |                             |
|---------------------------------|-----------------------------|
| Part number                     | 26637.201.185               |
| Specification                   | AFK PLUS                    |
| Material                        | CuSn                        |
| Surface / Colour                | frSn 1                      |
| Form                            | Chain form                  |
| Transport                       | Normal transverse transport |
| Assembly                        | X                           |
| Packing unit / piece            | 4000                        |
| Section area (mm <sup>2</sup> ) | 0.50-1.00                   |
| Type of lead                    | FLR                         |
| Insulation diameter (mm)        | 1.4 - 2.0                   |
| Tab thickness (mm)              | 0.80                        |
| Tab width (mm)                  | 2.80                        |
| Nominal size                    | 2.8x0.8-1                   |
| Material thickness (mm)         | 0.32                        |
| Steel spring                    | X                           |
| a <sub>1</sub>                  | 6.30                        |
| a <sub>2</sub>                  | 3.00                        |
| l <sub>1</sub>                  | 19.80                       |

Note: The drawing only gives an overview of the geometry of the part. The crimp area is shown as supplied in strip form. A technical drawing is available on request.
