

I/O Connector Systems

DCS-2

47 way sealed connector

Features

- Rear sealing ensured by single wire seal
- Circumferential interface seal
- Terminal position assurance (T.P.A.)
- Pre-mounted locking cam
- Mechanical polarization

Performance characteristics

- Temperature range:
from -40°C to +120°C
- Contact retention force:
> 55 N for 1.5 mm DCS-2
- Contact insertion force:
< 10 N for 1.5 mm DCS-2
- Connector mating force: < 150 N
- Sealing protection: IP 67

Construction

- Housing material: PBT
- Circumferential interface seal: Silicone

Connector compatibility

- Usable terminals:
DCS-2 1.5 mm female terminals

Tooling

- Terminal removal tool: Consult us
- Mini applicator: Consult us

Part Numbers	No. of position	Terminal size	Type	Colour
3 043 04 01	47	43 x 1.5 mm + 4 x 4.8mm	Female housing	Black
3 900 54 01			Protection cover	Black
